CS286 Makeup Exam Rules

1. Scheduled at 9:00AM on November 1st (two weeks from today)

2. “Minus 10 points” from your exam score

3. For your course grade, the makeup exam score will be used (even though your makeup exam score is lower than your midterm exam score)

4. Different degree of “curving” may be applied (but Fujinoki will try to make the complexity/hardness of the questions similar to the first midterm exam).

5. The same topics (as the first midterm exam) are covered by this makeup

6. Registration to your makeup midterm is required by 72 hours before the makeup (i.e., 9:00AM on Tuesday, October 29th)
   - Required registration by e-mail to the TA by e-mail (dauten@siue.edu)
     This is for avoiding wasting papers

7. You can choose not to submit your makeup exam for grading during the makeup exam
   - If you decide not to submit your makeup exam for grading, you are required to sign a form during the makeup exam (this is for avoiding misunderstanding)

8. This makeup opportunity is absolutely optional
