The agenda for CS314 lecture #6 (January 26, 2023):

1. Attendance cards

2. Quiz #3 is scheduled on next Tuesday.

3. Quiz #2 has been graded.
   - Suggested solutions have been posted to the course home.
   - For those who have a question about how your Quiz #2 was graded, see the suggested solutions first.

4. The two left-over PPT slides for “Processor_Modes.ppt”

5. Continue: “Process_Management.ppt”
   - The major short-term process scheduling algorithms
   - The major performance metrics
   - Preemptive and non-preemptive process scheduling
   - FCFS, RR, SJF, and SRTF algorithms (Process_Scheduling_Algorithms.ppt)
   - Exercises (1/24 (#4) and 1/26 (#1, #2, #4, #5, and #6)
