

# CS314 Lecture Note (Lecture #1, January 11, 2024)

## 1. Distribute:

- the course syllabus
- Quiz #1 questions (handout)
- Quiz #2 question list (handout)
- the attendance cards

2. **One email has been sent to each of you** – if there is anyone who has not received it, please talk to Dr. Fujinoki at the end of the lecture today.

## 3. Introduce the course home

- Most of the course materials will be posted there (“Weekly Notice” section).
- Each of you is expected to visit this website as often as possible.
- Dr. Fujinoki is not responsible for whatever problem that happens just because you did not visit the course home often enough.

## 4. The course syllabus

- (1) Grading criteria – Course grade distribution in Spring 2018
- (2) Quizzes – distribute “Quiz #1 question list”
- (3) Attendance policies
- (4) Academic dishonesty
- (5) Other notices

## 5. Suggestions for “safely passing CS314”

- For your safety, present the typical course grade distributions
- Each of you is expected to spend at least four hours outside of the lectures, including:
  - (a) Reading textbooks (two textbooks)
  - (b) Preparing for weekly quizzes
  - (c) Working on programming projects
  - (d) Preparing for exams (the suggested exercises posted to the course home)

## 6. What this course is for. What this course is not for.
